

12. LICHFIELD STREET P5 LOADING ZONE

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, Area Engineer - Linwood, DDI 372-2625
Corporate Plan Output:	

The purpose of this report is to install a P5 loading zone in Lichfield Street.

The Salvation Army have a centre in Lichfield Street which provides training and helping to citizens of the city. At times they and their clients find it difficult to find convenient parking to pick up or deliver goods to the premises.

To assist this group it is proposed to provide a P5 loading zone in Lichfield Street outside the Salvation Army premises.

- Recommendation:**
1. That a P5 loading zone be created on the south side of Lichfield Street commencing at a point 71 metres from its intersection with Durham Street South and extending in a easterly direction for 9.5 metres.
 2. That the existing parking restrictions in the above described area be deleted.

Chairman's Recommendation: That the above recommendation be adopted.
