

### 13. LICHFIELD STREET PARKING RESTRICTION

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Lorraine Wilmshurst, Area Engineer - Linwood, DDI 372-2625
Corporate Plan Output:	

The purpose of this report is to install a P10 parking restriction in Lichfield Street by the bus exchange.

Between the exit to the car park at the bus exchange and the access to the bank car park is a 10 metre space that could provide a pick up and drop off parking area. A P10 parking restriction over this space would provide some short term parking for the pick up and delivery of goods to the businesses and for future customers to the bus exchange.

- Recommendation:**
1. That the parking of vehicles be restricted to a maximum period of 10 minutes on the north side of Lichfield Street commencing at a point 94.5 metres from its intersection with Colombo Street and extending in a easterly direction for 10 metres.
  2. That the existing parking restrictions in the above described area be deleted.

**Chairman's Recommendation:** That the above recommendation be adopted.
