Officer responsible City Streets Manager	Author Alix Newman, Cycle Planning Officer, DDI 371 1472
Corporate Plan Output: Page 9.5.37	

The purpose of this report is to inform the Committee of the attendance of the Cycle Planning Officer at a cycle conference in Brisbane.

The Cycle Planning Officer has been invited by the Queensland State Bicycle Unit to present a paper at the Road Safety, Research, Policing and Education Conference in Brisbane over the weekend of 25/26 November 2000. The invitation is to speak on "Cycling and Safety in New Zealand" in the cycling section of the conference.

Attached to this report is a copy of the Cycle Planning Officer's paper submitted for the conference proceeding. It briefly outlines the range of activities undertaken to support cycling, and therefore cycle safety, in Christchurch. It is submitted to the City Services Committee for interest, as a brief overview of current activities.

Chairman's

Recommendation: That the information be received.
