Corporate Plan Output: Environmental Improvement Plans	

The purpose of this report is to inform the Committee that the St Albans Neighbourhood Plan is now complete.

Prior to the finalisation of the Plan, a request was made by the Shirley/Papanui Community Board that the draft Plan be presented to the Richmond Neighbourhood Cottage, which was subsequently done. The Richmond Neighbourhood Cottage was satisfied with the Plan, subject to minor changes, which have since been made.

The Plan will be tabled at the Committee meeting and staff will be available to answer any queries.

Chairman's

Recommendation: That the information be received.
