

10. HEREFORD STREET BUS STOP

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, Area Engineer
Corporate Plan Output: On Street Management	

The purpose of this report is to ask the Board to recommend to the Council that the bus stop in Hereford Street at Barbadoes Street be repositioned.

As a result of the new development for Saturn in Hereford Street near the corner of Barbadoes Street it has become necessary to provide some additional short term parking and to reposition the bus stop. At present the bus stop is across the entrance to the new development. By moving the bus stop west additional short term parking spaces can be provided for both Saturn and the other businesses on the corner.

The proposed alterations have the support of the businesses and the Parking Manager.

Recommendation: That the Board recommend to the Council:

1. That the P15 parking restriction on the south side of Hereford Street commencing at a point 5.5metres from its intersection with Barbadoes Street and extending in a westerly direction for 6.5 metres be removed.
2. That the bus stop on the south side of Hereford Street commencing at a point 12 metres from its intersection with Barbadoes Street and extending in a westerly direction for 16.5 metres be removed.
3. That the parking of vehicles be restricted to a maximum of 15 minutes on the south side of Hereford Street commencing at a point 5.5 metres from its intersection with Barbadoes Street and extending in a westerly direction for a distance of 23 metres.
4. That a bus stop be installed on the south side of Hereford Street commencing at a point 35.5metres from its intersection with Barbadoes Street and extending in a westerly direction for a distance of 15 metres.

Chairman's

Recommendation: That the officer's recommendation be adopted.
