Corporate Plan Output: Customer Services, Sub Output Leases (9.4.8)	

The purpose of this report is to request that the Community Board give the Board's Environmental Committee power to make a recommendation to the Parks and Recreation Committee concerning the surrender of the Hornby Wycola Netball Club lease and the future use of the court area.

The reasons for this request is:

1. No official letter has been received from the Hornby Wycola Netball Club.
2. The last Riccarton/Wigram Board meeting of the year takes place one day before the final Parks and Recreation meeting of the year. A final decision would realistically not be made until February 2001. This may affect the Hornby Hockey club's proposal for the area.

**Recommendation:** That the Riccarton/Wigram Community Board give the Environmental Committee power to act, in making a recommendation to the Parks and Recreation Committee, subject to the letter from the Hornby Wycola Netball Club being received.
