

6. **SHIRLEY RESEARCH**

Officer responsible Community Advocate	Author Bruce Meder, Community Development Adviser, DDI 354-1708
Corporate Plan Output: Community Advocacy	

The purpose of this report is to present to the Board an interim report regarding the Shirley social and community research.

Unfortunately, illness has prevented the completion of this research project within the expected timeframe. The attached report outlines the results of the research so far carried out. A final report is now expected in early 2001.

Recommendation: That the interim report be received.

Chairperson's Recommendation: That the officer's recommendation be adopted.
