### 21.5 KINGSLEA RESIDENTIAL CENTRE

The Department of Child, Youth and Family Services is unable to meet a commitment to shift youth justice operations from the Kingslea site by 31 October 2002, given at a meeting with the Kingslea Community Liaison Committee in August.

A reassessment of the time required to find a new site and build the new facility has established things will take longer than earlier thought.

At the earliest, the youth justice young people will be off the Kingslea site in September 2003. Sentenced young prisoners will still be away from Kingslea by 31 August 2003, as the new Auckland youth justice facility should be operating by then.

Child, Youth and Family now hopes to have selected a site for the proposed new youth justice facility in Christchurch by July 2001. Construction could then begin by August 2002, with the opening following in October the year after.
