

**16. WATERWAYS AND WETLANDS NATURAL ASSET MANAGEMENT STRATEGY**

A document has been prepared entitled Waterways and Wetlands Natural Asset Management Strategy - Volume 2 Implementation. This now completes the strategy development process. The strategy is now ready for consideration and adoption by the Council.

To aid discussion and the formulation of draft resolutions, a seminar was held on Friday 6 October 2000. At the seminar, Committee members were provided with a copy of Volume 2 of the strategy. Councillors are requested to bring this document to the meeting. The recommendations from the seminar will be tabled at the meeting.
