The purpose of this report is to ask the Board to consider a request for support from the Canterbury Volunteer Centre, by way of advertising in a supplement of the Press marking the launch of International Year of Volunteers.

It is considered this would be a great opportunity for the Board to publicly acknowledge and thank volunteers in the Spreydon-Heathcote area for the work they do in the community, and raise the profile of voluntarism in general.

An indication of the sort of material that could be included in the supplement, together with associated cost, will be provided at the meeting.

Recommendation: For consideration.
