

8. LEAVER TERRACE: PARKING SPACE FOR HOLDERS OF MOBILITY CARDS AND TAXIS ONLY

Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer
Corporate Plan Output: Signals, Signs and Shelters 9.5.94	

The purpose of this report is to request the Board to add 'Taxis' to the mobility parking restriction approved in July for Leaver Terrace outside the North New Brighton School entrance.

Consultation was undertaken with the taxi company for the original parking restriction and agreement obtained.

However when informing the taxi company that the restriction was approved and was about to be installed, it was discovered that there would be additional costs to the school for the acquisition of mobility cards. It is therefore considered more appropriate to change the restriction to include taxis as well. The original restriction has not been installed.

The Parking Operations Manager, school and the taxi company who presently operate the service, support the following recommendations.

- Recommendations:**
1. That the parking of vehicles be restricted to 'Holders of mobility cards only' between the hours of 8.30 to 9.30 am and 2.30 to 3.30 pm Monday to Friday, on the northern side of Leaver Terrace commencing at a point 52 metres from its intersection with Grantley Street and extending in a westerly direction for a distance of 17 metres, be revoked.
 2. That the parking of vehicles be restricted to 'Holders of mobility cards and Taxis only' between the hours of 8.30 to 9.30 am and 2.30 to 3.30 pm Monday to Friday, on the northern side of Leaver Terrace commencing at a point 52 metres from its intersection with Grantley Street and extending in a westerly direction for a distance of 17 metres.

Chairperson's

Recommendation: That the aforementioned recommendations be adopted.
