

14. GIVE WAY SIGNS - HAMPSHIRE STREET/HULVERSTONE DRIVE

Officer responsible City Streets Manager	Author Malcolm Taylor, Area Engineer
Corporate Plan Output: Signals, Signs and Shelters 9.5.94	

The purpose of this report is to request Council approval for the installation of 'give way' signs in Hampshire Street and Hulverstone Drive at their intersections with Wainoni Road. Specific Council approval is being sought for the signs on Wainoni Road, a major arterial.

Stage 1 of the Woolston/Burwood Expressway, from Travis Road to Wainoni Road, is expected to be open to traffic in February 2001. Part of this work is the installation of traffic signals at the Wainoni Road/ANZAC Drive/Bexley Road intersection, which will be operating from August/September 2000. A pamphlet showing the 'give way' controls was distributed to residents in November 1999 (see plan attached).

- Recommendation:** That the Council approve the installation of 'give way' signs in the following locations:
- (a) Against Wainoni Road west at its left turn slip lane into ANZAC Drive.
 - (b) Against Wainoni Road east at its left slip lane into Bexley Road.

Chairman's Recommendation: That the above recommendation be adopted.
