Corporate Plan Output: Roading Land page 9.5.text.14	

The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners at No. 4 Waiwetu Road have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property.

The proposed road stopping is not shown in the Notified City Plan.

Approval in principle was recommended by the Fendalton / Waimairi Community Board and confirmed by Council at its 27 July 2000 meeting to dispose of the unformed portion of Waiwetu Street as the land is not required for road purposes.

Negotiations between the Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure.

City Streets agrees with this proposal.

The land is not formed as road but fenced and occupied by the adjoining owners. The plan is **attached**.

Prior to sale the following resolution is necessary to initiate the stopping action:

RESOLUTION

Pursuant to the provisions of Sections 319(h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that portion of road as shown on the plan and described in the Schedule hereto.

The land is situated alongside and occupied by No. 4 Waiwetu Street and is 4.82 metres in width.
