Corporate Plan Output: Advocacy 6.1.text.47	

The purpose of this report is to nominate Board members to liaise with new residents groups in the Papanui area.

At the 2 August meeting the Board granted formal recognition to two new residents' associations in the Papanui ward, namely Casebrook and Redwood. It is expected that in the near future a further two will be established – South Papanui and Northlands.

In order to improve communication between the community and the Community Board, the Board assigned members to community groups that it had been working with as at March 1999, updating this in May this year. A copy of the list is attached. Some of these groups may be in recess. Members may wish to add the four new groups to this list with Board reports.

Recommendation: That Board members be assigned to liaise with the four new residents associations being formed in the Papanui ward.

Chairperson's Recommendation: That Myra Barry be the Board's representative on the Northcote Association and Dennis Hills be its representative on the Redwood Association.
