

## 23. CENTENNIAL PARK

<b>Officer responsible</b> Parks Manager	<b>Writer</b> Anne Cosson, Area Parks Officer
Corporate Plan Output: Parks Development	

The purpose of this report is to request the Board to appoint a representative to be on a panel to hear submissions on the landscape plan for Centennial Park.

The landscape plan was circulated to the local community for comment earlier this year. The main area of development is behind Pioneer stadium complex on the former works yard site.

At its meeting of 24 August 2000, the Council adopted the recommendations of the Parks and Recreation Committee Chairman as follows:

- “1. That a panel be appointed to hear submissions and be given delegated authority to make a final decision on the plan.*
- 2. That members of the panel be Councillor Ganda (Chairman), Councillors Anderton, Corbett and a representative of the Spreydon-Heathcote Community Board.*
- 3. That the Spreydon-Heathcote Community Board be invited to appoint a representative to serve on the panel.”*

**Recommendation:** That the Board appoint a representative to the hearings panel.
