

10. BREEZES ROAD: PARKING RESTRICTION

Officer responsible City Streets Manager	Author Malcolm Taylor - Area Engineer, DDI 371-1604
Corporate Plan Output: Street Marking and Signs 9.6.9	

The purpose of this report is to seek the Board's support for the installation of a parking restriction in Breezes Road by Avondale School as shown on the attached map.

The Principal of Avondale School and the Board of Trustees have requested the provision of short term parking in Breezes Road by the school. Parents have expressed concern for the availability of short term parking to allow for the dropping off and picking up of students at school times. Breezes Road between Avondale Road and Pages Road is designated as a collector road and carries an average of 9,300 vehicles per day.

The adjoining property owner and the Parking Operations Manager are agreeable to the installation of a P5 parking restriction in this area.

Recommendation: That the Board recommend to the Council that parking of vehicles be restricted to a maximum period of five minutes between the hours of 8.00 am to 9.00 am and 2.30 pm to 3.30 pm, Monday to Friday on the south side of Breezes Road, commencing at a point five metres east from the boundary of 124/126 Breezes Road, and extending in a easterly direction for a distance of 12 metres.

Chairperson's Recommendation: That the abovementioned recommendation be adopted.
