Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval of the Board to one new road name, and one new right of way name.

- 1. WAI 20002987 Russley Golf Club 428 Memorial Avenue** (Waimairi Ward)  
The Golf Club is in the process of subdividing part of their land near the clubhouse. The subdivision will create twenty-two residential allotments with access from a new cul-de-sac to be constructed off Memorial Avenue. The Golf Club has submitted the name STABLEFORD GREEN as the name for the cul-de-sac. This name is considered appropriate for this road.
- 2. WAI 20003134 Crofton Enterprises Limited 59 Crofton Road** (Waimairi Ward)  
This subdivision creates seven residential allotments served by a private right of way. Three names were submitted by the applicant. CHILVERS LANE, CHRETIEN LANE and MEMORY LANE. Chilvers is the name of the applicants, and as such does not comply with the Council policy on naming, and there is a Memory's Lane across the boundary in Selwyn District at Springston. Chretien (presumably referring to the variety of apple) does not conflict with existing names.

**Recommendation:** That the Board approve the names Stableford Green and Chretien Lane

**Chairman's**

**Recommendation:** That the foregoing recommendation be adopted.
