Corporate Plan Output: Discretionary Funding	

The purpose of this report is to seek funding for the Brooklands Playcentre to upgrade their library corner and purchase shelves and a bookcase which meet safety regulations.

Attached is a letter from the Brooklands Playcentre President giving background information to the request. Due to funding criteria changes this application may not meet the Community Development funding criteria.

Recommendation: That \$770 from 2000/2001 Discretionary Funds be granted to the Brooklands Playcentre to up grade the library corner and replace the bookcase and puzzle shelf.

Chairperson's Recommendation:

1. That the officer's recommendation be adopted.
2. That the Playcentre be advised that future applications for funding should be sent to the Community Trust. The Board would support such applications.
