

20. PROPOSED CHANGE IN MEMBERSHIP OF SPECIAL COMMITTEE

Officer responsible Council Secretary	Author Max Robertson, DDI 371-1533
Corporate Plan Output: Public Accountability	

The purpose of this report is to seek approval for a proposed change in membership of the Control of Public Places/Fencing of Swimming Pools Special Committee.

This Committee only meets approximately three times per year on average, its current membership being Councillors Anna Crighton, Carole Evans, Pat Harrow and Denis O'Rourke or their nominees.

Councillor Evans has advised that she now wishes to relinquish her membership of the Special Committee in favour of Councillor Erin Baker, and formal approval is therefore sought to this proposed change of membership.

Recommendation: That Councillor Erin Baker be appointed in place of Councillor Carole Evans as a member of the Council's Control of Public Places/Fencing of Swimming Pools Special Committee.

Chairman's Recommendation: That the above recommendation be adopted.
