--	--

The purpose of this report is to receive a proposal to raise waste awareness in the region from Glass Tower.

### **Background**

At the 12 March 2001 meeting of the Subcommittee Glass Tower presented an overview of the 1999/2000 campaign to raise waste awareness in the community. At the time they proposed to present the committee with a further proposal to build on the previous campaign. Glass Tower will present their new proposal at the meeting. No operating budget provision exists for such expenditure for the current financial year.
