The purpose of this report is to request funds to update the Community Workers Directory produced by St Stephens Anglican Church in 1999.

The Board provided \$5,000 from 1998/1999 Project Funds for Neighbourhood Directories. \$4,500 of this was allocated to St Stephens Anglican Church Shirley for production of their Community Worker Directory. Shirley Community Trust has taken over the task of updating the directory and has requested \$2,200 for Wickliffe Press to update the database, and provide printing services. This includes printing of 500 copies.

This Directory is widely used by community workers, and is also used by agencies such as WINZ and New Zealand Police.

This is a separate resource document to the community directory that will be produced by the Advocacy Team for distribution to residents.

**Recommendation:** That the Board allocate \$2,200 from 2001/02 Discretionary Funds to Shirley Community Trust for the update of the Community Workers Resource Directory 2002/03.
