

#### 4. CORRESPONDENCE

##### 4.1 SUMNER REDCLIFFS LYTTELTON UNION PARISH

The following letter has been received from Gordon Seatter for the Shoreline Ministers' Association thanking the Community Board for their support of the annual Candlelight Carols event which was held on 13 December.

*"It is good to be able to report that our annual Candlelight Carols which was held on 13 December 2000 was again very well supported and we believe up to our usual high standard. We were delighted to have the accompaniment of the 34 strong Sumner Silver Band. An audience of approximately 600 including a large number of children gathered on this occasion.*

*Generous financial support from the Hagley/Ferrymead Community Board, the Ferrymead Rotary Club and local businesses enabled us to continue the carols as a "no charge" event. We do appreciate the financial support you gave us for this popular project."*
