

5. **WILSONS ROAD – PARKING RESTRICTION**

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, DDI 372-2625
Corporate Plan Output: Signs and Markings	

The purpose of this report is to ask the Board to recommend to the Council that the P10 parking restriction in Wilsons Road at Opawa Road be extended.

The food takeaway at the intersection of Wilsons and Opawa Roads had a P10 parking restriction for three vehicles. When the intersection was reconstructed about two years ago this parking area was reduced to two space. The business has found that the reduction is causing problems for adjoining businesses as driveways are regularly being blocked and vehicles are double parking.

After discussion with the adjoining businesses it has been agreed that an extension of the P10 parking restriction will help to solve some of the problems being experienced at present.

- Recommendation:**
1. That the parking restriction on the east side of Wilsons Road commencing at a point 15 metres from its intersection with Opawa Road and extending in a northerly direction for a distance of 12 metres be removed.
 2. That the parking of vehicles be restricted to a maximum of 10 minutes on the east side of Wilsons Road commencing at a point 15 metres from its intersection with Opawa Road and extending in a northerly direction for a distance of 22 metres.

Chairman's Recommendation: That the officer's recommendations be adopted.
