

14. PROPOSED NEW ROAD NAMES

Officer responsible Environmental Services Manager	Author Bob Pritchard, DDI 371-1644
Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval of the Board to a new road and right of way name.

East/95/750 – NZ Meat Nominees Limited, Alderson Ave (Heathcote Ward)

This subdivision creates thirty-three new residential allotments to be served by one new road, and a large right of way. The applicant company has called the subdivision Stonehaven for marketing purposes, and have requested that the road be named Stonehaven Terrace.

Five names have been submitted for the right of way:

- Cairnway Lane
- Rockleigh Lane
- Manorbier Lane
- Stronsay Lane
- Hearthstone Lane

Cairnway and the existing Kennaway (same postal zone) have similar pronunciation. Rockleigh Lane would also be in the same postal zone as the recently approved Rockcrest Lane. The applicants preference for the right of way name is Stronsay Lane.

Recommendation: That the Board approve the names Stonehaven Terrace for the new road, and Stronsay Lane for the right of way.
