

20. 2001/2002 DISCRETIONARY FUNDS

Officer responsible Community Advocate	Author Sharon Ogden, DDI 354-1705
Corporate Plan Output: Public Accountability	

The purpose of this report is to advise the Board of the current balance of 2001/2002 Discretionary Funds, and the items referred for consideration for these Discretionary Funds following the 2001/2002 Project Fund Allocation in March 2001 (please see attached).

The Board will recall referring several items from Project Fund allocation to 2001/2002 Discretionary Funds. The total amount of these projects comes to \$15,000. It is recommended that the Board request staff reports for these other projects to come to the August meeting of the Board.

Recommendation: That Leisure, Parks and City Streets provide reports to the August Board meeting regarding their requests for funding.

Chairperson's Recommendation: That the officer's recommendation be adopted.
