

**17. PROPOSED NEW ROAD AND RIGHT OF WAY NAMES**

<b>Officer responsible</b> Community Advocate	<b>Author</b> Bob Pritchard, DDI 371-1644
Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval by the Board of new Road and Rights of Way Names (see attached).

**PAP/99/935 Regent’s Park Subdivision Regent’s Park Drive - Papanui Ward**

This further stage on the Regents Park subdivision, will create two new cul de sacs to serve 37 new allotments. A further five new allotments will obtain access from Regent’s Park Drive. The names used in this subdivision are sourced from London road names. One of the cul de sacs was approved as Primrose Hill Lane in 1992, the developer has proposed the name ‘Alderney Mews’ for the second cul de sac.

**PAP/20004297 Gregg Builders Ltd 333 Main North Road - Papanui Ward**

This application will result in the construction of fifteen new dwelling units served by a fully formed and sealed right of way. The applicant’s have proposed the name ‘The Lane’ for the right of way. This may appear unusual, but there are several precedents in Christchurch, with The Brae, The Crescent, The Spur, The Stables, The Zig Zag and The Kilns.

**Recommendation:** That the Board approve the above names.

**Chairperson’s Recommendation:** That the officer’s recommendation be adopted.
