The purpose of this report is to invite the Board to have input into the current review of the Local Government Act 1974.

The following documents have been circulated to Board members and are required for this meeting:

- “Reviewing the Local Government Act 1974”, the Government’s consultation document.
- Local Government New Zealand Working Party Response to the Questions Raised in the Consultation Document.

The process for formulating the Council’s input into the review provides for Community Boards to report on their consideration of the consultation document to a Strategy and Resources Committee Seminar on 13 July 2001. Individual submissions from Community Boards are also permitted although the City Manager has suggested that a single submission from the Council may carry more weight.

The Strategy and Resources Committee Seminar for all Councillors and Community Board Chairpersons is to consider a draft Council response for adoption at the Council meeting on 26 July 2001.

- Recommendations:**
1. That the Board prepare a submission to the Government’s Local Government Act Review Consultation Paper based on the discussions from today’s meeting.
  2. That the Chairperson report on the Board’s submission to the Strategy and Resources Committee Seminar on 13 July 2001.

**Chairperson’s Recommendation:** That the abovementioned recommendations be adopted.
