Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval of the Board to three new road names for the Wigram Base subdivision, and to advise the Board on the use of a previously approved name.

1. **WIG /20000523 Wigram Aerodrome Limited Hurricane Way** Wigram Ward

This is a further stage of the subdivision of Wigram Base, creating thirty-four sections to be served by three new cul de sacs running off Hurricane Way. (Hurricane Way runs off Caudron Road and was approved by the Board on 6 September 2000) The three names proposed by the applicant company continue the existing theme of this subdivision with military aircraft. The names are Mosquito Place, Lightning Close and Spitfire Place. The name Lightning was proposed as an alternative to Hurricane at the 6 September 2000 meeting, however Hurricane was the Board's preference for that road.

2. **WIG /20003954 Rock Hill Limited Kennedys Bush Road** Wigram Ward

The Board approved the name "The Rocks" for a new cul de sac off Kennedys Bush Road on 31 January 2001. There is a large Right of Way running off the end of The Rocks which will serve thirteen new sections. The applicant have requested that this be named, and wish to call it Quarrymans Lane. This name has already been approved by the Board on 31 March 1999, along with Forfans and Feathers for future use. (Forfans has since been used on the Miln's Estate subdivision)

**Recommendation:** That the Board approve the names proposed in paragraph 1 above, and take note of the information provided in paragraph 2 above.

**Chairman's Recommendation:** That the Board approve the names Mosquito Place, Lightning Close and Spitfire Close for subdivision WIG/20000523 and note the use of Quarrymans Lane for WIG/20003954.
