<b>Officer responsible</b> Environmental Services Manager	<b>Author</b> Mark Vincent, DDI 372-2641
Corporate Plan Output: Animal Control	

The purpose of this report is to consider whether dispensation should be granted to an activity in the prohibited area of Cathedral Square.

The Council has received a letter (attached) from Mr Phillip Robinson of 15 Clydesdale Street, Linwood. Mr Robinson is requesting dispensation for his dog to be allowed in the prohibited area of Cathedral Square.

The Christchurch City Dog Control Bylaw 1997 prohibits dogs from entering or remaining upon any part of a prohibited dog area except as authorised by the Council by resolution made under this clause. Cathedral Square is one of the prohibited dog areas.

Mr Robinson is a busker and has an entertainment act that involves his fox terrier dog called "Miss Polly Ester". The dog appears to be a key component in the act and carries out tricks for the watching public. Mr Robinson intends that his dog act will be in conjunction with and supporting the "Wizard's" display.

The dispensation period requested from Mr Robinson is 12.30pm until 3.30pm three days a week depending on the weather. There is no specified period of time, however Mr Robinson has suggested the entire year.

The Council may grant dispensation in accordance with clause 16 of the Christchurch City General Bylaw 1990.

- Recommendation:**
1. That Mr Robinson be given a six month dispensation trial period in accordance with clause 16 of the Christchurch City General Bylaw 1990 to allow his dog "Miss Polly Ester" to enter and remain in the prohibited area of Cathedral Square.
  2. That the dispensation apply for three days per week only between the hours of 12.30pm and 3.30pm on the same days.
  3. That his dog be kept under control by a leash at all times between the hours of 12.30pm and 3.30pm unless actively involved in the entertainment act with Mr Robinson and that Mr Robinson ensure that all the dog faeces is removed forthwith to ensure the area is kept clean.
  4. That the Team Leader Animal Control monitor the act's effects and assess and consider the long term implications of Mr Robinson's request upon the completion of the six month trial period.

**Chairman's Recommendation:** That the officer's recommendation be approved.
