<b>Officer responsible</b> Environmental Services Manager	<b>Author</b> Bob Pritchard, DDI 371-1644
Corporate Plan Output: Subdivisions	

The purpose of this report is to obtain the approval of the Board to one new right of way name, and one new road name.

### 1. WAI/20000729 AR & HM Donnithorne 516 Harewood Road Waimairi Ward

This subdivision creates seventeen new residential allotments, fourteen of which are served by a new formed and sealed right of way off Harewood Road. The applicants have submitted two names for approval in order of preference. They have chosen names that they feel will fit in with existing names in the locality of their subdivision. The names proposed are CROFTWOOD LANE and STONEWOOD LANE

### 2. WAI/2000/3134 Crofton Enterprises Limited 59 Crofton Road Waimairi Ward

The name Chretien Lane was declined at the last Board Meeting. The accompanying report to that meeting stated that the name Chilvers was not in conformity with Council policy as it was the owners name. The applicant's have now changed their application, so that a legal road will now be created in place of the right of way. They have also advised that the property has been held and worked by the Chilvers for over forty years, so the name is now more in conformity with Council policy "historical connection with the land" They have therefore now requested that CHILVERS WAY be considered for approval.

- Recommendations:**
1. That the Board approve either "Croftwood Lane" or "Stonewood Lane"
  2. That the Board approve the name "Chilvers Way"

### Chairman's

**Recommendation:** That the foregoing recommendations be adopted.
