

36. RECOGNITION OF PAST BOARD MEMBERS

As a result of the recent local body elections, three members from the previous term are no longer Board members. Of these, two members were unsuccessful in the election, and one resigned prior to the election.

It is considered appropriate that there should now be a formal recognition of the members for their efforts on behalf of the community. To this end, appropriate certificates have been prepared which will acknowledge the appreciation of these efforts.

To complete the formality it is suggested that the Board formally resolve to acknowledge the work of the past members, and a suitable opportunity be taken to present the certificates and to convey the community's appreciation.

Recommendation: That the Board recommend to the Council that:

1. The Board resolve to extend its appreciation, on behalf of the citizens of the Hagley/Ferrymead community to past members Derek McCullough, Aaron O'Brien and Charles Manning.
2. The Chairperson and the Community Advocate host an appropriate afternoon tea to present the Board's Certificates of Appreciation.
