

31. PROPOSED JOINT BOARD SEMINAR ON ENVIRONMENT CANTERBURY DRAFT REGIONAL LAND TRANSPORT STRATEGY

Officer responsible Community Advocate	Author Sharon Ogden, DDI 354 1705
Corporate Plan Output: Shirley/Papanui Community Board Vol 1, 3.1 text 7	

Environment Canterbury is currently seeking submissions on its draft Regional Land Transport Strategy. A copy will be provided to each Board member. The submission period has been extended for the Council and Community Boards until the end of December.

A joint Board seminar is proposed for Environment Canterbury and Council staff to present the strategy and for formulating a submission. A date in early December is being considered. It is suggested that interested Board members participate in this process.

Recommendation: That Board members attend the joint Board seminar on the Draft Regional Land Transport Strategy.
