

3. DEPUTATIONS BY APPOINTMENT

3.2 Canterbury Neighbourhood Support

Superintendent John Reilly and Pat Creasey, Co-ordinator Neighbourhood Support, would like to address the Board about Canterbury Neighbourhood Support Incorporated and seek funding of \$5000.00 for the purpose of the Co-ordinator's salary, office equipment and stationery. To date four other Boards have each granted \$5000.00. They have enclosed some relevant material concerning the direction of Neighbourhood Support and a breakdown of costs associated with the first year.

The Community Advocate comments: Information has not been provided as to their financial position. In his position with the New Zealand Police Pat Creasey carried out the co-ordinator role. At the same time that Mr Creasey retired the Police stopped funding/co-ordinating this role.

The co-ordinator is currently funded by the grants that have been received from four other Community Boards.

Chairman's

Recommendation: That the Board support Canterbury Neighbourhood Support by allocating \$5,000 from the discretionary fund.
