Officer responsible Parks Manager	Author Ali Taylor-Hayhurst, DDI 371-1633
---	--

The purpose of this report is request the following person be appointed as Honorary Warden:

Mr Brent Smith 18 Landsdowne Terrace Holliss Reserve

Mr Smith has been interviewed and approved by Council staff.

An honorary warden’s main responsibility is to help the Council’s Rangers and Trade Waste officers in the preservation and protection of our City’s parks and reserves, the Avon River, the Heathcote River and the City’s foreshore areas. The principal role is one of observation and education rather than direct involvement and enforcement.

From both an information and communication point of view and to ensure the Pier and our park and riverbank areas remain safe, clean and user friendly, the role of Honorary Wardens is seen as a vital ingredient

Recommendation: That Mr Brent Smith be appointed as Honorary Warden pursuant to Christchurch City Bylaw 120 Clause 5 (ii) and Christchurch City Bylaw 118, Clause 4, relating to the control of parts of the Avon and Heathcote Rivers, certain foreshore and adjacent areas and the City’s parks and reserves.

Chairman’s Recommendation: That the above recommendation be adopted.
