

3. DEPUTATIONS BY APPOINTMENT

(d) Councillor Lesley Keast

Councillor Keast will be in attendance to comment on the proposal to relocate Christchurch Kart Club from its present site in Carrs Road to Leggett Road which adjoins Ruapuna Park. Her concerns relate to the community not having been consulted, and that no consideration has been given to the 'cumulative' effects (ie another motor sport activity being sited on Ruapuna).

Members will recall the attendance of Property Manager Bill Morgan to the recent meeting of the Board's Environment Committee at which Bill's extensive report was received.

The Committee were supportive of progress of this issue.

Council's Parks and Recreation Committee have also received the report and the presentation of the full report has been deferred to their September meeting to enable comment from tonight's Board meeting.

Circulated separately from the order paper is a copy of the full report referred to.
