

20. RISELAW STREET PARKING RESTRICTIONS

Officer responsible City Streets Manager	Author Mike Thomson, Pedestrian Advocate, DDI 3711-950
Corporate Plan Output: Traffic Signs and Markings	

The purpose of this report is to improve visibility for children crossing Riselaw Street at the Shirley Primary School entrance.

Concerns have been raised by the Shirley Primary School about the safety of children crossing Riselaw Street when going to and from school via Macfarlane Park. To improve visibility on the Riselaw eastern approach is desirable. This affects one property, the owner (Housing New Zealand) and the tenant have both been consulted and have no objection.

Recommendation: That parking be restricted at all times on the south side of Riselaw Street, along the entire frontage at No.11 Riselaw Street.
