

9. CHAPMANS ROAD – PARKING RESTRICTION

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, Area Engineer
Corporate Plan Output: Street Markings and Signs 9.6.9	

The purpose of this report is to gain Board approval for a parking restriction to be installed in Chapmans Road.

A request has been received from New Zealand Express for a parking restriction outside their property in Chapmans Road for their customers. At times this area is fully occupied by parked workers' cars from the businesses in the area.

The original request was for the restriction to extend along the whole of the frontage of the property. Investigation has found that this would eliminate eight parking spaces and at times there were some parks available.

Consultation was carried out with the business opposite New Zealand Express, and they did not see a need for the parking restriction to extend to eight car parks. They agreed to some parking space having a time restriction.

Recommendation: That the parking of vehicles be restricted to a maximum of 60 minutes on the east side of Chapmans Road commencing at a point 24 metres from the intersection of Brightlings Road and extending in a northerly direction for 24 metres.
