

6. JULY MEETING DATE

Officer responsible Council Secretary	Author Angelene Holton, DDI 371-1437
---	--

The purpose of this report is to request that the Community Plans Special Committee consider an alternative date for the 2 July meeting.

At the meeting on 28 March 2002, the Council agreed to a revised Annual Plan timetable. As a result there is a need to reschedule the Community Plans Special Committee meeting that was to be held on 2 July 2002.

Recommendation: That Community Plans Special Committee members determine a suitable meeting date for the 2 July 2002 meeting to avoid a clash with the Annual Plan timetable now approved by the Council.
