

## 6. STIRLING STREET/KERB AND DISH CHANNEL RENEWAL

<b>Officer responsible</b> City Streets Manager	<b>Author</b> Brian Boddy (Area Engineer), DDI 3711013
Corporate Plan Output: - 2002/2003 Capital Works Programme	

The purpose of this report is to request that the Fendalton/Waimairi Community Board approve for construction the renewal of the dish channel for the full length and both sides of Stirling Street.

### BACKGROUND

Stirling Street (a local road) is on the Capital Works Programme to have its kerb and dish channel renewed in the 2002/03 financial year (budgeted cost \$108,500). Different options have been considered and the proposal shown on the **attached** plan has been circulated to local residents. As shown the existing intersection at Office Road shall be left as it is and overhead services shall be undergrounded.

There has been no negative feedback to the publicity plan at the time of writing.

**Recommendation:** That the Community Board approves the proposal for construction.

#### Chairman's

**Recommendation:** That the foregoing recommendation be adopted.
