

7. PAPANUI HERITAGE GROUP

Officer responsible Community Advocate	Author Sharon Ogden, DDI 354 1705
Corporate Plan Output: Community groups	

The purpose of this report is to request formal recognition from the Board for the Papanui Heritage Group.

The Board may recall funding the production of the "Papanui Heritage Trail" leaflet, produced by Lorna Garden and Warren Hudson in October 2000. Interest and enquiries have been expressed by various groups regarding the leaflet, and conducted walks of the Trail have taken place. It was thought relevant at this stage to set up a more formal group, the purpose of which is to collect, retain and preserve material relevant to the development of Papanui.

The suggested territory of the group would centre on Papanui Road and Main North Road and would extend south and east to Blighs Road, Grants Road and to Queen Elizabeth II Drive, north to Northcote Road, and west to Greers Road and Condell Avenue.

The Group are planning to produce information leaflets on subjects such as:

- Anne Bowen
- Ivory's Cool Store
- Town Hall
- Papanui Hotel
- The Milk Bar

They will be seeking financial support from the Community Board for production of these leaflets in the future. At this stage the group are seeking encouragement and formal recognition.

Recommendation: That the Board formally recognise the Papanui Heritage Group as a Community Group.

Chairperson's

- Recommendation:**
1. That the officer's recommendation be adopted and that consideration of funding is made from Discretionary Funds for the production of the leaflets once the request is received.
 2. That the Group be commended for their work.
