The purpose of this report is to finalise the process for a submission on the resource consent applications for Kate Valley landfill.

BACKGROUND

On 14 May the Subcommittee **resolved**:

1. *That Buddle Findlay be requested to prepare a submission as proposed.*
2. *That a copy of the submission be provided to all shareholder councils prior to adoption and lodgement by the Subcommittee.*

It was also agreed that prior to lodgement on 2 August a copy of the submission would be tabled before all six shareholder territorial local authorities before adoption and lodgement by the Subcommittee. Copies of the draft submission will be made available to relevant staff by 10 July for circulation to Councillors.

Several landfill member councils will not have full council meetings before submissions close on 2 August and may elect to view the submission at committee meetings. In order to finalise the submission the Subcommittee needs to convene an additional meeting.
