

4. CLYDE ROAD INTERSECTION - PROPOSED PARKING RESTRICTIONS

Officer responsible City Streets Manager	Author Brian Boddy (Area Engineer), DDI 941-8013
--	--

The purpose of this report is to request that the Board approve the installation of parking restrictions in Clyde Road to the north of Medbury School as shown on the attached plan.

A request has been received from Medbury School for the following parking restrictions to be installed. These are: -

- No stopping restriction between the Medbury School entrance and that of No. 113 Clyde Road.
- P.5 parking restriction on the west side of Clyde Road between No. 113 and Hamilton Avenue. The P.5 restriction would apply from Monday to Friday between the hours of 8.00 am to 9.00 am and 2.45 pm to 3.45 pm.

In response to this request a parking survey was taken of the affected properties. Fifteen surveys were distributed, and six properties responded. The numbers supporting/opposing the proposals are in brackets, as shown below: -

	Yes	No
I am in favour of the proposed no-stopping restriction shown on the plan	6	0
I am in favour of the proposed P.5 parking restriction shown overleaf operating from Monday to Friday between the hours of 8.00 a.m. to 9.00 a.m. and 2.45 p.m. to 3.45 p.m.	3	2

At present a lot of drivers drop children off on the east side of Clyde Road and the children then have difficulty trying to cross the road. Parking on the opposite side of a busy road to a school to let off children is a dangerous practice. The proposed drop-off area will encourage drivers to drop their charges off in a far safer location on the same side of the road as the school. In response to the above feedback and to provide a safe drop-off area for children it is proposed that the existing no-stopping restriction be extended to the vehicle entrance of No. 113 Clyde Road and a P.5 parking restriction operating from Monday to Friday between the hours of 8.00 a.m. to 9.00 a.m. and 2.45 p.m. to 3.45 p.m. outside No.s 113 to 119 Clyde Road be installed.
