The purpose of this report is to obtain the Board's approval of one new Right of Way name. Right of Way name approvals are delegated to Community Boards.

It is important that approved names do not duplicate or be similar to existing names. All names submitted have been checked by Council and NZ Post for duplication.

178 England Street Champagne Developments Limited - Hagley Ward

This subdivision creates ten new allotments served by a small formed right of way. A search of the certificate of title failed to supply any suitable names with historic links. Two names are provided which have no particular significance to the site, but which are short and simple for this small right of way. The names provided are Moonstone Lane and Laurel Lane. A plan of the area is attached.
