The recommendations of the above plan were presented to the Parks, Leisure and Environment Committee of the Board at its 15 May 2002 meeting, when a copy of the final plan was tabled.

The recommendations from that meeting were:

- “1. That the information be received.
2. That the remaining Board members be given the opportunity to hear the presentation.”

The next step from here is to form a small team of Community Board representatives and staff to develop a detailed implementation plan to cover the next three years for presentation to the Board.

Staff

- Recommendation:**
1. That the Board adopt the recommendations of the Spreydon/Heathcote Leisure, Parks and Waterways Plan.
 2. That the Board appoint the members of the Parks, Leisure and Environment Committee, including the Board Chairperson (ex officio), to be part of the team to develop a detailed implementation plan.

Chairperson’s Recommendation: Not seen by Chairperson.
