The purpose of this report is to seek Board approval to have the draft Bromley Local Area Traffic Management Scheme (LATMS) document approved.

In September 2001 the proposals for traffic calming contained in the draft LATMS were circulated to the Community Board, residents, the residents association and schools in the area. Copies of the LATMS were also available from the Linwood Service Centre.

The community were invited to make submissions to the scheme prior to the 19 November 2001. Submission were received from:

- Bromley Residents Group
- P. Cain
- Mrs Beattie
- E. Allen
- M. E. Bailey
- J. M. Weenink

In summary, no additional items for inclusion were suggested. However there were concerns raised as to access to the area and safety in relation to Linwood Avenue These concerns would be addressed in the proposal to four lane Linwood Avenue.

**Recommendation:** That the Bromley LATMS be adopted by the Board as a final document.

**Chairman's Recommendation:** That the recommendation be adopted.
