The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners at No. 19 Broadbent Street have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property.

The proposed road stopping is not shown in the Notified City Plan.

Approval in principle was recommended by the Riccarton/Wigram Community Board and confirmed by Council at its 28 February 2002 meeting to dispose of the unformed portions of Broadbent Street as the land is not required for road purposes.

Negotiations between the Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure. City Streets agrees with this proposal.

The land is not formed as road but occupied by the adjoining owners. The plan is attached.

Prior to sale the following resolution is necessary to initiate the stopping action:

The land is situated alongside and occupied by No. 19 Broadbent Street and is 3.30 metres in width.
