

## 12. CITY WATER AND WASTE UNIT: KEY ISSUES AND PROJECTS

<b>Officer responsible</b> City Water and Waste Manager	<b>Author</b> Mike Stockwell, DDI 371-1332
--	---

The purpose of this report is to formalise the key issues for City Water and Waste Unit that were reported to the Strategy and Finance Annual Plan Subcommittee in February 2002.

These key issues are listed on the attachment for Water Supply, Wastewater and Solid Waste, including brief comment on the process and timetable for their implementation/resolution.

**Recommendation:** That the key issues and projects be adopted as listed.

**Chairman's Recommendation:** That the above recommendation be adopted.
