

6. ST ALBANS COMMUNITY RESOURCE CENTRE - FUNDING FOR CENTRE ASSISTANCE

Officer responsible Community Advocate	Author Barbara Ford, DDI 941-5407
Corporate Plan Output: Discretionary Funds	

The purpose of this report is to seek \$2,000 from Discretionary Funding for the employment of a person to assist with the management and bookings of the Resource Centre.

The Management Committee presently employs a person to undertake day to day running and care taking of the centre. A further person has been working eight hours per week, funded through an external grant. This person could be retained for a further 12 months at a cost of \$2,000. The duties will be focussed on promoting the Centre for courses and activities. This will in turn attract further income. It is expected that the Centre will over the next year, generate sufficient income to contribute to the employment of a person to run the Centre.

Recommendation: That \$2,000 be provided from 2001/2002 Discretionary Funds towards the employment of a part time person at the St Albans Community Resource Centre.

For Discussion.
