The purpose of this report is for the Board to consider establishing a “P120” parking restriction in Oxford Terrace adjacent to the recently established Firefighters Reserve. (Refer attached plan).

### BACKGROUND

During the consultation process for establishing the Firefighters Reserve, it was suggested that parking adjacent to the reserve be restricted to a two hour limit to cater for visitors to the area. This part of Oxford Terrace is within the “all day” parking fringe of the central city.

### PROPOSAL

The angle parks alongside the riverbank reserve are most suitable for establishing a “P120” parking zone. Fifteen parking spaces are involved which overlook the river view and the Firefighters sculpture on the corner of Madras Street and Kilmore Street. The plan attached to this report indicates the extent of the proposed “P120” parking restriction.

The Baptist Church which fronts the Firefighters Reserve has an off street carpark for members and visitors adjacent to the church. The church agrees with the proposal to establish a “P120” parking area adjacent to the Firefighters Reserve.

### Staff

**Recommendation:** That the parking of vehicles be restricted to a maximum period of 120 minutes along the north-west side of Oxford Terrace commencing at a point 11 metres from its intersection with Madras Street and extending in a north-easterly direction for a distance of 40 metres.

### Chairperson’s

**Recommendation:** That the recommendation be adopted.
