RICCARTON/WIGRAM PROJECT PROPOSAL/AGREEMENT MONITORING AND EVALUATION

1.	Group: The Salvation Army – Community and Family Services Hornby					
	 ☐ Incorporated Society ☐ Trust ☐ Other (please state): Property Trust 					
2.	Grant: \$11,000					
3.	Project Timeline: One off grant					
	Extended term: Yes No Start: End:					
4.	Project Allocation Conditions It was agreed that the Salvation Army would display acknowledgement of the Riccarton/Wigram's financial support for the refurbishment and upgrade of the foodbank.					
5.	Background Information The Community and Family Services Centre has operated a foodbank at 23 Manurere Street, Hei Hei, for 10 years. The aim of the project is to assist people who have some to the Centre asking for help to feed themselves and their dependents. This is the only foodbank in the western side of the city.					
	The foodbank operates as a community foodbank, assisting the needy clients of local churches and other community support agencies eg The Depression Support Group. At present an average of 60 substantial food parcels are distributed to local families and individuals each month, and the numbers are steadily increasing. The clients are interviewed to establish that there is a genuine need, assisted with applying for any unpaid entitlements and offered free budgeting advice from accredited advisers.					
6.	Project Description (Aims/Objectives)					
An increasing usage over the last year has necessitated an expansion of storage distribution area.						
	Aim; To provide strong, stable, large capacity shelving units to store food stocks of cans, bottles, packets and bags.					
	Aim; To provide a designated area for assessing clients entitlement to food assistance by the provision of multiple private interviewing rooms in which to discuss people's personal finances and food needs and to provide appropriate advice and encouragement.					

Aim; To provide a monitored security alarm system for the foodbank and administration areas of the centre to secure after hours storage of foodbank supplies and client records.

15. Expected Outcomes (Agreed with group):

(a) The upgrading of storage and distribution area of the Hornby Community Foodbank so that more food can be stored for increasing demand.

How will this be met? Contracting qualified builders to refurbish current premises with suitable shelving that makes the foodbank no longer a potential occupational safety and health risk.

(b) Confidential interview rooms to discuss with clients their financial situation while maintaining their right to privacy.

How will this be met? Contracting qualified builders to install walls, windows and other relevant structures according to plans.

(c) Maintain security and confidentiality of clients.

How will this be met? The installation of an alarm system so that all records and other valuable resources are safely secured.

(d) Strengthening the network of local community support agencies.

How will this be met? By providing a resource (food/budgeting/advice) to support the work of other agencies.

(d) Valuing of volunteers.

How will this be met? By providing a safe and professionally suitable environment for them to work in.
